This is no con, artist
Moving like we're on a run, no Artest

It's a set up
To get us
Made of Titanium
David Guetta

Hella Ladies and fellas
Make it betta
Two fingers together
Pray for Metta

They be tryna come and stop it Already flying from the cockpit Why's it hard to be honest
Tried withdrawals, no deposit

Yeah, you hot
You a comet
Imagine, if you don't stop
You're a problem
If you're scared
Call Mommy
Have her meet you downstairs
In the lobby

It's a set up
To get us

Landlord
Why (why?) play with a n*gga
Heat on Ice Age, in the Winter
\}Not what was rented
$F^{*}$ ck a Building Inspector
Bout to go from Tenant
Into Hannibal Lector

Nothing stands in the way
Got these hands, any day
Yah makes plans, we just pray
Forgive sins, we do pray

Got a leveled head on ya shoulders
See ya getting older
World getting colder and bolder
Stole us. Sold us
Melanin and Solar
Pour up!

It's a set up
To get us
Made of Titanium
David Guetta

Hella Ladies and fellas
Make it betta
Two fingers together
Pray for Metta
