

## **Armand Van Helden - You Don't Know Me**

**What is my problem with man, you ask?**

**No, I ask you what is man's problem with me**

**You don't even know me**

**You say that I'm not living right**

**You don't understand me**

**So why do you judge my life?**

**You don't even know me**

**You say that I'm not living right**

**You don't understand me**

**So why do you judge my life?**

**I don't ask for nothing**

**I'm always holding my own**

**Everytime I turn around**

**There's something**

**People talking about what they don't know**

**And when I try to move on up**

**They always pulling me down**

**I'm tired and I've had enough**

**It's my life**

**And I'm living it now**

**You don't know...**

**You don't even know me**

**You say that I'm not living right**

**You don't understand me**

**So why do you judge my life?**

**You don't even know me  
You say that I'm not living right  
You don't understand me  
So why do you judge my life?**

**I always wonder why  
People try to hurt me  
No happiness in their own lives  
So they act by all their jealousy  
Who are you to say that I'm living wrong  
Always telling me what to do  
I decided, I gotta be strong  
What made you think that I needed you  
You don't know me**

**You don't even know me  
Oh, you don't know me  
You say that I'm not living right  
You don't understand the way that I feel  
You don't understand me  
You can't even see the way I feel  
So why do you judge my life?  
Oh, yeah, you don't know me**

**You don't even know me  
You say that I'm not living right  
You don't understand me  
You don't understand  
So why do you judge my life?  
So why do you judge my life?**

**You don't even know me  
You don't know me**

**You say that I'm not living right  
You say I'm not living right  
You don't understand me  
You don't understand, yeah  
So why do you judge my life?  
You don't even know me  
You don't even know...  
You say that I'm not living right  
While I'll be go with you  
You don't understand me  
Tell me who...  
So why do you judge my life?  
You say they judge my life**

**You don't even know me  
You say that I'm not living right  
I don't ask for nothing  
You don't understand me  
So why do you judge my life?  
But give me...  
Being down, down, down, down**

**You don't even know me  
Are you think what you talk about  
You say that I'm not living right  
You don't understand me  
You don't understand  
So why do you judge my life?  
Why do you judge my life?**

**You don't even know me  
The way you can do  
You say that I'm not living right**

**But I'll be go with you  
You don't understand me  
You don't understand me  
So why do you judge my life?  
So why do you judge my life?**

**Oh...tell**

**Who are you?  
You say I'm not living right  
Everything I try to do  
You haven't walked in my shoes**

**I'm gonna move on  
It's my life, it's my life  
It's my life, it's my life  
It's my life, it's my life**

**Aaah!!**

**You don't even know me  
You say that I'm not living right  
You don't understand

So why do you judge my life  
Everything I try to do, oh**

**You don't even know me  
Oh, you really fuck around  
You say that I'm not living right  
When I'm going in  
You don't understand me  
And a lot of my problems**

**So why do you judge my life?**

**I need any friend**

**You don't even know me**

**You say that I'm not living right**

**You don't understand me**

**So why do you judge my life?**
