{Verse 2: Rustage}

I do it straight like a rook, don't wanna play by the book  
They know the game is afoot, I make 'em change with a push  
They won't be jacking my style, no, they ain't taking a hook  
Know how to hold'em like Texas whilst they be hating my look  
I take my place with no mercy, this ain't no Magna Carta  
I be the Ace like Attorneys, don't need no Magatama  
I be the face of the worthy, I've got a race that deserves me  
I'll keep on making my journey like I'm the Dungeon Master  
Watch the way I'm doing this, making gains, I stay lucrative  
They like Steph, how they stupid, it's easy to see you're new to this  
Read their mind so intuitive, watch my bars like a fugitive  
Blackjack, the way I keep on hitting like a pugilist  
Face to face with the truth of it, hundred percent success rate  
Fake 'em out like illusionist, in their head like an X-ray  
Confident, I'm not losing it, say the pledge then Aschente  
Place my piece and I'm moving it, see your king and it's checkmate  
{Chorus: LulunaRina & Rustage}

I know we're not gonna lose  
KÅ•geki shi tsudzukeru  
Wakatteru, ima wa  
Dice keeps rolling  
I know we're not gonna lose  
Mattero yo gÄ“mukingu  
Fuse kÄ•do o hiraku  
We're not folding  
Bet's down, one round, we don't lose like  
Get out, we bound to break new heights  
Step down, these clowns ain't gon move right

**Rep proud, going loud, we don't lose sight  
Bet's down, one round, we don't lose like  
Get out, we bound to break new heights  
Step down, these clowns ain't gon' move right  
Rep proud, going loud, we don't lose sight**
