

FanBoy808 - Gamer Parody Party

**Playing games till morning sun
Up all night your so much fun
Game over, it sucks to suck
Next time you'll have better luck**

**Xbox or nintendo switch
Girl ik u want this ----
Sugars running through my veins
Destiny, titans my main**

**Feeling bored?
Well baby come over
Got some things to show u
We could watch black clover! (ew)
Then after that
We could play video games
Up at night
And we sleep by the day!**

**The mater of the fact is
Baby girl i want you
Capture you in my heart
You can be my Pikachu**

**There's nothing else ill ever need
You and me, finally!
Get to have some time alone
In vr world were we rool zone**

**Playing games till morning sun
Up all night your so much fun**

**Game over, it sucks to suck
Next time you'll have better luck**

Xbox or nintendo switch

Girl ik u want this ----

Sugars running through my veins

Destiny, titans my main
