**Staring at you in class
Can't get you off my mind
Think about you all the time
Just want you to be mine**

**So scared to talk to u
Will i be ridiculed?
Oh who knows, but eventually ill have to go**

**I try not to lurk
But i dont have any morals
Thats why i need you here
Sort me out to be normal
We can see eye to eye
And hear ear to ear
By the end of the trip
We can kiss lip to lip**
