

Bing Crosby - How Lovely Is Christmas

**How lovely is Christmas
With boughs in the hall
When bells ringle jingle
And friends come to call**

**How lovely is Christmas
With joy on the wing
While under your window
The carolers sing**

**God rest ye, be merry
Give peace while you may
Remember the child
Who was born on this day
How lovely is Christmas
With songs in the air
A bright merry Christmas
Dear friends everywhere**
