

# **Rustage - RUNNING**

(lyrics)

{verse 1: rustage}

**One flash and it's history i clap back in a rhythm i ain't missed a beat**

**No hiding one tap like a timpani when man clash hear the crack, electricity**

**Like raijin, ain't mad what you think of me i got low to high like a filter**

**sweeping i'm fighting**

**I stand with no injuries and they follow my star like nativities**

**I'm like palm to your face how i flick the bean that's yin release**

**They're built so broke like a system leak and wiped out like i'm mister clean**

**I'll fuck em all right up like i dabbled in polygamy**

**They battle without synergy i travel at a different speed you better**

**Pick a side it's either quit or die like they're shackled to the industry**

**Out of the void like i'm ripping through space i leave an opp in a critical**

**state**

**You try to think that'd you'd win in a race but i ain't lapping circles the**

**y're figures of eight**

**Know i'm the boss you're on minimum wage spammin their combo's like video game**

**I'm going straight to go spit on your grave like i'm holding down plan on a**

**video tape**

{pre-chorus: ben schuller}

**A legacy that won't ever fade the decades will pass but i'll remain**

**If destiny seems so far away**

{chorus: ben schuller}

**Just keep running!**

**All the world couldn't slow me down!**

**Just keep running!**

**All the walls couldn't keep me out!**

**Just keep running!**

**{chorus: rustage}**

**Running! running! i run right by i'm stunning!**

**Running! running! they watch me fly i'm gunning!**

**Running! running! i run right by i'm stunning!**

**Running! running! they ain't surprised i'm coming!**

**{verse 2: rustage}**

**Hard body i don't need susanoo's cus i capture quickly like i stream elgato**

**Call me peak ninja that's just peak minato cus i'm picture perfect like a l**

**eonardo**

**I be punching noggins till their face, picasso ninja's chatting with that f**

**ake bravado**

**Put my head into the mission steady with the rhythm duh, duh, duh, and i st**

**ay staccato**

**It don't even matter if i battle with a beast put em on a leash they ain't**

**ever fucking with the leaf**

**If a body been discovered they be dropping in the streets cus i handling th**

**e green like i be running through the trees**

**I'm the commander in chief come face me and their armed to the teeth**

**Move too fast when they're starting to speak then their tone drones on like**

**an answer machine**

**Move too quick they can't see the rest can't edit my text like a pdf**

**And my opps gon think that they'll be the best but i'll seal their mouths t**

**hat's a reaper's death**

**Move too cold they gon see my breath keep my dog's on hold that's a teacher**

**'s pet**

**I be dropping metal like it's easyjet and be overheating but don't seem to sweat**

**{chorus: ben schuller}**

**Just keep running!**

**All the world couldn't slow me down!**

**Just keep running!**

**All the walls couldn't keep me out!**

**Just keep running!**

**{chorus: rustage}**

**Running! running! i run right by i'm stunning!**

**Running! running! they watch me fly i'm stunning!**

**Running! running! i run right by i'm stunning!**

**Running! running! they ain't surprised i'm coming!**

**{verse 3: rustage}**

**So much potential we are never what we might become**

**Be influential cus you never know when you're time has come**

**Out life eventful and it always knows if you try to run**

**Cus i'm the definition of living fast and then dying young**

**{pre-chorus: ben schuller}**

**A legacy that won't ever fade the decades will pass but i'll remain**

**If destiny seems so far away**

**{chorus: ben schuller}**

**Just keep running!**

**All the world couldn't slow me down!**

**Just keep running!**

**All the walls couldn't keep me out!**

**Just keep running!**

**{chorus: rustage}**

**Running! running! i run right by i'm stunning!**

**Running! running! they watch me fly i'm gunning!**

**Running! running! i run right by i'm stunning!**

**Running! running! they ain't surprised i'm coming!**
