

## **Poi Dog Pondering - Be the One**

**{Chorus}**

**Say that you'll be the one**

**Say that you'll be the one**

**Say that you'll be the one**

**Say that you'll be the one**

**{Verse 1}**

**Drowning in my heart**

**To be drowning in your arms**

**Won't you take me, take me?**

**Three summers heat, tangled up in sheets**

**Won't you take me, take me?**

**{Verse 2}**

**I'm as steady as a seesaw**

**And as longing as the wind**

**Visions of you come so filling I swoon**

**So far and distant and under the same moon**

**All I ask is you to take me**

**{Chorus}**

**Say that you'll be the one**

**Say that you'll be the one**

**Say that you'll be the one**

**Say that you'll be the one**

**{Verse 3}**

**Under the strength of your words**

**My heart is carried by a hundred birds**

**Take me, won't you take me?**

**Into death I do seep**

**Into the arms of your heart's sleep**

**Take me, take me**

**{Verse 4}**

**I'm as steady as a seesaw**

**And as longing as the wind**

**Visions of you come so filling I swoon**

**So far and distant and under the same moon**

**All I ask is you to take me**

**All I ask is you to take me**

**{Instrumental}**

**{Verse 5}**

**I'm as steady as a seesaw**

**And as longing as the wind**

**{Chorus}**

**Say that you'll be the one**

**Say that you'll be the one**

**Breathing as you were**

**Lying on the floor**

**Won't you take me, take me?**
