

## **Foxes on the Run - &#34;Friends&#34;**

**|Verse|**

**Oh, lady my oh my, Look at you  
Tangled up in darkness you just can't get through  
Drowning, buried in lies  
Digging deeper down to impress your so called "pals"**

**|Chorus|**

**Oooooooh oooh  
Oooooooh oooh**

**|Verse|**

**Things could be bad  
Things might get worse  
But you don't know what you're worth  
A bunch of nobodies toying with your life  
It could be easier  
But don't care, why?**

**|Chorus|**

**Don't you realize  
You see it doesn't matter what they say  
Who cares what some old asshole thinks anyway?  
Oooooooh oooh  
Oooooooh oooh**
