

Foxes on the Run - Chained Dog

|Verse|

**Do what you want I don't care I'm blind
You don't know, I don't mind
Chained up dog, bark all day
Tiny Man you're falling through**

|Chorus|

**Lie to yourself, I don't mind
But you know that you're dead, inside**

|Verse|

**Running away, hiding from the truth
You lie, you deceive but, you can't stand to lose
Fire spits, from your mouth, into demons you wish were mine**

|Chorus|

**Lie to yourself, I don't mind
But you know that you're dead, inside
You're such a waste of, my time
Are you gonna bark all day or are you...**

|Verse|

**Gonna
Gonna
Gonna
Gonna
Gonna
Bite?**
