

## **Foxes on the Run - Failure**

**|Verse|**

**Be your best, even if it hurts**

**Wasted words, if not spoken**

**Unclear goals, lead you nowhere**

**Don't wait, you gotta do it on your own**

**|Chorus|**

**|Verse|**

**You'll fail, don't worry baby**

**It's the path, not the end**

**Try it again, you'll go further**

**That's how we live, one day at a time**
