

## **FanBoy808 - Cutter on me**

**|Verse|**

**Cuts all on my body  
Baby can you haunt me?  
Will I have to kill you  
Or baby will you want me?**

**Sipping green tea;  
I feel like a fucking Zombie  
Eat your fucking brains when i'm off the fucking Molly  
In the grave yard  
Shawty touching up my scars  
Drug me up and date rape me in the car**

**Make me feel so worthless  
And tell me how I'm worth it  
Make me fucking bleed  
Yeah I wanna feel you work it**

**|Chorus|**

**In the back of the club  
Crushing up some molly rock  
And she sucking on my cock  
Yeah, that shit is non-stop**

**Got a cutter on me  
Got a cutter on me  
Got a cutter on me  
Got a cutter on me**

**Nigga I'm a star  
Yeah I know I'm going far  
Feeling like Tr1st4n  
Swipe at my key card  
Got a cutter on me  
Got a cutter on me  
Got a cutter on me  
Got a cutter on me**
