

The Burns Sisters - Can I Walk Away Tonight?

Tonight, I tell the truth and nothing but...

It's hard to admit, even to myself

There's nowhere I can run

When you look into my eyes

You see the deepest part of me

Can I walk away tonight?

Walking away from the love of my life

Turning my back when love's finally found me

I can't face that now

I vowed to live my life by the rules

But I'm living a lie

Because my heart belongs to you

How can I be on the edge

When I've already fallen?

There's nothing that can save me now

Can I walk away tonight?

Only to dream of you by my side

Never to show you all I've been feeling

For so long now

I love you

I know it's wrong

To live without you I must be strong

Can I walk away tonight?
