

The Burns Sisters - Without Love

**The house is cold as a stone
You are here
Why do I feel so alone?
I lost your heart, I lost myself along the way
One more day...
Without love
All the promises and lies
Whisper secrets deep inside
Tell the truth
Why can't you look me in the eye?
One more try...
I won't live my life without love
While you cry for the one you dream of
I'm willing to sacrifice
How much is enough?
Waiting for your touch
One more day
Without love**

**There's no time for right and wrong
Holding out could only keep me holding on
Searching only for a place where I belong
To be strong
The rain falls down to wash away
All the tears I cry today
The storm is over now I'm headed for the sun
The time has come**

**I won't live my life without love
While you cry for the one you dream of
I'm willing to sacrifice**

How much is enough?

Waiting for your touch

One more day

Without love

I remember

We were strong yesterday

When did we let it slip away

If you can't find it in your heart to try again

This is the end

I won't live my life without love

While you cry for the one you dream of

This wall between us

I can't rise above

Waiting for your touch

One more day

Without love
