

Sewerperson - Brooklyn Bound

**30 some thousand feet up in the atmosphere
If I'm blowing up you best believe I'm flying you out to here
I make what he makes in half a day
But i'm on these drugs they help me work when i'm away**

**PDF the boarding pass
If you love me baby you should give me more than ass
I'm not a car baby but you leave me more than gas
This a song for when you get to doubting me
Just know I love you back**

**Paralegal
That's not worth any of my time I know in my cerebral
You just care about opinions of these average pDpeople
I been shining like a necklacDµ I work on a RedBull
Uh, yeah, and I was evil
But you saved me from my ways for that I'm so indebted
Last bitch I dated suck cum and she wear the necklace
That I buy for her on visa when I was spending reckless
Uh, yeah, just forget it
I been happy with my girl I think she really wifey
For all the sins that I done did God won't have to smite me
I wear Travis unreleased I swear I'm just a hypebeast**
