

Adamariz - REASON 4 DA SEASON

{Intro: adamariz}

Yeah

{Hook: Jericko}

Aye He's the reason for the season

For the season

Aye like a child I stay believing

Aye I'm blessed to have the life I'm living

Life I'm living

Aye and to know that I'm forgiven

I'm forgiven

Thank You Lord for another year

For another year

I'm so glad that I'm still here

Be with friends and family

Oh yeah

Merry Christmas to you from me

{Verse 1: adamariz}

Jesus is the reason for the season

The reason I am preaching

With these bars you are repeating

Satan tried to keep me as a heathen

But by grace I am still breathing

Gave my life a new meaning

So I be practicing what I'm singing

Ay look

If it's LLASEASON

Then it's praising Him season

Yeah

Every beat that I have eaten

Was to bring Him praise

Raise the dead from the grave

Uh huh

Like He did on that third day

Third day

Then He said that we are saved

We are

Ay

Jesus came

Uh huh

To make a way

Oh yeah

In His name

In His what

Demons slayed

They slayed

Legions sway

They sway

People pray

They pray

Live unashamed

They do

Cuz

He's the reason for the season

Ay

{Hook: Jericko}

Aye He's the reason for the season

For the season

Aye like a child I stay believing
