

Switchblade Kittens - Best Friends

Verse:

Walk through my door don't need a key
My bookish frump dressed up a she
I put on your worn pink hoodie
And you say it looks better on me

Chorus:

Best Friends
Hard to know where the line is
Best Friends
Slight change when a friendship ends
Best Friends
And a some thing more begins
Best Friends
Best Friends

Verse:

You're my best mate since we're knee high
My amazed arms hold you when you cry
My strong had brushes your thigh
How I feel took me by surprise

Bridge:

I like you, I like you
I think I think about you
I love you, I love you
I think, I think you like me too
