

Gee Threee - H3te me

|Intro|

**Now you-now you just a dream, baby I don' know you
Runnin' up a bag baby I can show you, wo-oah
Yah, it's no one
Lo-fi love but I don' want none
Fire in my heart burnin' through my lungs
I think imma OD but I won't die young woah**

|Refrain|

**I'm in a dream check the timeline
Drive-drive me crazy like a mafuckin' Skyline
Pu-pu-pull up hit the gas but this ain't a fuckin' drive-by
I don' understand I jus' sit and watch the time fly
And now you say that I'm the one to change woah
It's me and you but I don' feel the same woah
But now you say that I'm the one to blame
I know you can feel the pain
I swear imma go insane woah woah**

|Chorus|

**You know we bound to go insane
She said that I'm the one to blame, woah
Don' wanna stay another day
So we jus' sit and watch it fade away
Hey, wo-oa-oah
I'm wit' you, we're starin' at the sky it's baby blue
So go and tell me lies and say it's true**
