

Kon Kan - Heaven Knows

I lie

I cry

Agreed like any other guy

I walk

I talk

But inside these rivers run dry

These are the days of my solitude

These are the days of my life

I wish I could change my attitude

And heaven knows I missing you

Right now

I'm not sleeping anymore

It seems I've forgotten how

And heaven knows I missing you

Again

The sound of silence

Is much too loud

Oh when will it ever end

Tell me when

I live

A lie

I do my best to get by

A change

Of heart

Has left me wondering why

Why these are the days of my solitude

These are the days of my life

I wish I could change your attitude

I wish I could change your mind

And heaven knows I'm missing you

Right now

**I'm not sleeping anymore
It seems I've forgotten how
And heaven knows I missing you
Again
The sound of silence
Is much too loud
Oh when will it ever end
Tell me when**
