

# Poi Dog Pondering - Postcard From a Dream

{Part 1: Postcard From a Dream}

{Verse 1}

Ooh, ooh

Ooh, before your lights quite fail

Ooh, before your lights quite fail

Ooh, before your lights quite fail

And you fall spinning singing from the same song

{Verse 2}

Ooh, pass your hand before me

Palm shining, light streaming

Speak to me your lips touch

Crackle like water spilling

Tumbling down

{Chorus}

Sing to me lull softly call quiver

Dream to me like a flame flicker

Shimmering shimmering mirage like vision

Of tranquility

{Verse 3}

Ooh, ooh

Honeyflower sing suckle

Oh so sweetly call to me

Lure linger please

Lure linger, lure linger, oh

{Chorus}

Cover me with your hands unfolded

Wrapped around, held like a ball

**Think of meâ€”put all your self inside me  
Then throw me spinning into the sun**
