

Gentleman - Round The World

Round the world

Dem seh the world is on axle and it's spinning

While you sit down ina yuh castle full of sin

No know about the end nor the beginning

Nor the beginning

Round and round the world

We keep on bringing the

Vibes around the world

We open up the peoples eyes

Around the world

Step ina the gideon

True di caribbean

Asians and Africans and even the Syrians

Kick off the rebellion

Strong like a stallion

Sending out the message to more than a million

More than a billion

More than a trillion

Now we going to add it up to more than quadrillion

Leave out the silly ones

Down at the pavillion

Tell babylon fi check more for the civilian

Me done four passports already

Don't diturb me medi

Been there and done that

And still i'ma holding steady

Telling this to each and every

Telling them we eveready

Hafi make dem know seh dat we taff ina the armagedi

**Ask some of dem what dem cipher
Bun out dem handgun and bun dem sniper
Tell di youths dem outa road stop move like viper
If unno want good things ina life unno fi try for i
And i a struggler
Some of dem a smuggler
Large up the juggler who not make no trouble ya
Music pon the double ya
Clear weh the rubble ya
Positivity we come fi juggle ya
Ups and minorities
Rule the majority
Class and laws never showing no maturity
Ancient philosophies
And brutal economies
Everyday dem talk about some brand new celebrities
Confused priority
Lost in technology
Rich and poor seperated by authorities
Charge your anatomy gain electicity
Fantasy can replace reality me sing - boom**
