Cappp Capp yea capp capp yeaaa na  
Too much cap in my mind and my head  
Cause I'm crazy my mind just feels dead  
And you know that I'll leave you in read  
Uha uha uha okay  
I don't care really what you gotta say  
Cause I'm fighting my battles my way  
And you know that I fight it my way  
Morning or night it's okay  
It don't matter the time of the day

Remember the place  
Cause it feels like a Saturday night  
But somethings just don't really feel right  
It's the cap and the lies that you spilt  
It's the cap and the lies that I feel
