

YUNGBLUD - Lil Bitch Killa

|Verse|

Coked up with my bitches, got the burner in the duffel bag

Lookin' for a victim, on this 45 I'll make you gag

Got my boyfriend locked up in the trunk 'cause he can't eat pussy

Sobbin' for his life, lil' bitch, you should never push me

I let my girls piss up in his mouth then I sell him out

Let some freaks rape him on my couch, are you sorry now?

I'm the devil's fucking mistress, really livin' out the underground

Ain't no fucking kisses when I see you, bitch, it's goin' down

|Chorus|

I'm a motherfucking killer (Killer, killer)

I'm a motherfucking killer (Killer, killer)

I'm a motherfucking killÐµr (Killer)
