

# FalcoSoFly - Till The Wheels Fall Off

|intro:falcosofly|

Yuh

I got some shit to say. you ready?

That's what i thought you said. now let me offer this as a rebuttal

|chorus:falcosofly|

I'mma ride this shit till the wheels fall off

If i keep dropping like this,then i'm never falling off

Xbox just sent me a deal,i'mma have to call it off

The beef is dangerous just like kardinal offishall

I feel like trippie redd right now cause i am signing off

Diss me over lyrics and you fucking stupid

You ain't hit the gym at all,you look like a toothpick

I couldn't give two shits

About your mother or you

I rap like the rent is due

And that got me through

My whip is blue,my cap is blue

I'm blood but i be crippin too

|verse 1:falcosofly|

Blue shoes,blue roof

Only 10 bitches can fit in my coupe

I'm thĐµ coolest,check the room

Sliding on your block,don't need thĐµ broom

I got lots of shit to do

I bet i'll still be rapping when i'm 32

In my room

I'm just thinking
