

The Burns Sisters - Johnny Got A Gun

**Johnny got a gun, he got it from a friend
Gave it to a lover, passed it on again
Johnny got a gun, he better put it on the shelf
Dirty little secret he's keeping to himself**

**Oh, who you gonna shoot tonight, Johnny?
Who's it gonna be tonight?**

**Johnny's looking bad, and he's looking for a friend
With the kiss of Judas, betray him in the end
Johnny's running scared and he's running out of time
And in the name of passion, commits another crime**

**Oh, who you gonna shoot tonight, Johnny?
Who's it gonna be tonight?**

**You need someone to hold you tight, Johnny
You're all alone
You got no one**

**Johnny's going mad, another victim of the night
Finger on the trigger, he's got no hope in sight
Johnny lost a friend about a month ago
He shot him in the heart, claimed he didn't know**

**Oh, who you gonna shoot tonight, Johnny?
Who's it gonna be tonight?**

**You do it but it don't seem right, Johnny
It's not like you to be so cruel
Don't shoot that gun tonight**

**Oh, who you gonna shoot tonight, Johnny?
Who's it gonna be tonight?**

You need someone to hold you tight, Johnny

Tears and shame, no one to blame

Don't shoot that gun tonight
