

Poi Dog Pondering - Wood Guitar

{Verse 1}

Oh Elizabeth, could you come down

With your wood guitar now

Elizabeth, could you come down

With your wood guitar now

{Chorus}

Oh please play for me

Oh please play for me

Oh please play for me

Oh please play for me, oh

{Verse 2}

Ooh, lay your hands upon those strings

Wood guitar, wood guitar

I wish that you could play for me

I wish that I could fall asleep

{Chorus}

Oh please play for me

Oh please play for me

Oh please play for me

Oh please play for me, oh
