

Bing Crosby - Anniversary Waltz

**The anniversary waltz with you
Tell me I may always dance
The anniversary waltz with you
Tell me this is real romance
An anniversary dream come true
Let this be the anthem to our future years
To millions of smiles and a few little tears
May I always listen to
The anniversary waltz with you**

**The anniversary waltz with you
An anniversary dream come true
Let this be the anthem to our future years
To millions of smiles and a few little tears
May I always listen to
The anniversary waltz
The anniversary waltz
The anniversary waltz with you**
