

## **Switchblade Kittens - Secret Keeper**

**Verse:**

**Though you try, I can't let you know why  
I will cry, but not on the outside  
End is nigh, in a room filled up with light  
So you ask how does that suit you? And I say a bit too tight**

**Pre-chorus:**

**The secret that I try to hide  
The secret that I keep inside  
The secret that will save a life**

**Chorus:**

**Secret Keeper, Secret Keeper, Secret Keeper**

**Bridge:**

**Once is an accident  
Twice is coincidence  
Three times is an enemy action**

**Verse:**

**Soul deny, to colour black and white  
I will die, to make this fall up right  
Moving lie, hard amour to fight  
So you ask how does that suit you? And I say a bit too light**

**Pre-chorus:**

**The secret that I try to hide  
The secret that I keep inside  
The secret that will save a life**
