

Crabb Family - Where We'll Never Die

The Crabb Family

A Crabb Collection

Where We'll Never Die

This world is not our permanent dwelling

We have a better home on high

Our days on earth they have all been numbered

But over there we'll never die

Chorus:

Someday soon

We're going over

To a land beyond the sky

They'll be no sad farewells up yonder

For in that land we'll never die

We've said goodbye to passing loved ones

And felt the hurt that death leaves behind

Oh but if our hope has been placed in a man named Jesus

We're going where we'll never die

Chorus

They'll be no sad farewells up yonder

For in that land we'll never die
