

Kon Kan - I Can't Answer That

**I know beethoven wrote a symphony in b
Why should i care, it doesn't mean a thing to me
I know that st. tropes is never very far
But what i don't know is, how near we are**

**You know i've always had the money here to pay the rent
You know i wanna believe
But if you stay or go there's one thing that you oughta know
That it's a sin to deceive**

**If you really want it
Show me that you need it
Will i still believe it
Well, i can't answer that
Will we stay together
Change is like the weather
Will it be forever
Well, i can't answer that**

**I know picasso painted memories in blue
What does it matter, 'cause he never painted you
I knew a king who had to set his people free
But what i don't know is, do you need me**

**If you would only tell me what it is i need to know
Then maybe we'll make a start
You keep me waiting, i'm an understudy in the show
Are you too scared of your heart**

**If you really want it
Show me that you need it**

**Will i still believe it
Well, i can't answer that**

**Will we stay together
Change is like the weather
Will it be forever
Well, i can't answer that**

**You know i'll always have the money here to pay the rent
You know i wanna believe
But if you stay or go there's one thing that you oughta know
That it's a sin to deceive
If you really want it
Show me that you need it
Will i still believe it
Well, i can't answer that**

**Will we stay together
Change is like the weather
Will it be forever
Well, i can't answer that**

**If you really want it
Show me that you need it
Will i still believe it
Well, i can't answer that**

**Will we stay together
Change is like the weather
Will it be forever
Well, i can't answer that**

Will it be forever

Well, i can't answer that
