

Roadrunner United - In the Fire

Confess Witch

**I see the moon outside
With its evil grin
Watching the priest tonight
Accusing me of sin**

**Help me
No
You're gonna die
Help me
No
Just say goodbye
In the fire
On blackened wings I fly
In the fire
To Hell
And then I die
It's still the same
Can you tell me why
Witches then are Witches today**

Confess Witch

**A thousand years of pain
Between here and then
Did we all die in vain
Oh it's just insane**

**Help me
No**

**You're gonna die
Help me
No
Just say goodbye**

**In the fire
On blackened wings I fly
In the fire
To Hell
And then I die
Oh it's still the same
Can you tell me why
Witches then are Witches today
Die Witch
Now go to Hell**

**In the fire
On blackened wings I fly
In the fire
To Hell
And then I die
It's still the same
Can you tell me why
Witches then are Witches today**
