Fucking wimme,this the wrong day

And don't get this shit confused

I'm a beast like Harambe

{Verse 1:FalcoSoFly}

Living in the future

I'm on my Beast Mode

That mouse is in danger

I know all the Cheat Codes

I'm embracing the Culture

Just like the Migos

And just like Drake himself
I'm giving out Free Smoke
But like YoungBoy
These niggas want No Smoke
Y'all ain't funny like DaBoii
Bitch Whats da Joke?
There's these types of feelings that I'm tryna invoke
In the people who listen to my music
Don't play with me like Ashnikko
Bitch are you STUPID?
Ha!

{Chorus:FalcoSoFly}

Young rich nigga,bitch I swerve on opps
I swerve on the cops
I swerve on the block
You better not play wit me
Cause these hollows very hot
I don't think you wanna see God
Bitch I pull up wit my squad
And air it out
Broad day
Make this bitch sing like Rod Wave
Fucking wimme,this the wrong day
And don't get this shit confused
I'm a beast like Harambe
Bitch my flow is hot
Just like a tamale
Yuh

{Verse 2:FalcoSoFly}

Sleep is for the weak
I don't get some cause I'm always

Tryna start sum
Nigga been messing with the paint
Now he yellow like a Simpson
I go hard in the paint
Yes I listen to Waka Flocka
You know it's a lethal duo when you see
Me and Shokka
I'm just focused on my inner chakra
Going off like NLE Choppa
King of the jungle,feel like Mufasa
That bitch is not welcome in mi casa
Flow's wavy like aqua
Bro's low key acting like a sussy baka
Don't make me call the coppas
Came wit the sauce like I am Macca's
Hah!

{Chorus:FalcoSoFly}

Young rich nigga,bitch I swerve on opps
I swerve on the cops
I swerve on the block
You better not play wit me
Cause these hollows very hot
I don't think you wanna see God
Bitch I pull up wit my squad
And air it out
Broad day
Make this bitch sing like Rod Wave
Fucking wimme,this the wrong day
And don't get this shit confused
I'm a beast like Harambe
Bitch my flow is hot
Just like a tamale
