{Verse 1: adamariz}

They used to tell me I'd amount to nada  
Got up out that mentality, kicked the demons up out of my casa  
Back in the stu  
Ready to shoot  
Hop out the coupe  
And I'm trusting Jesus  
Riled up on truth  
The bible is my tool  
They thought I'd give up too  
But I am not a fool

Steppin like Miles  
Praising like RG  
Like Parris I'm sliding  
Aha, I'm wilding  
Now I'm back and I'm grinding  
NK, 35, uh huh  
Silence

**SILENCE**

They used to doubt me so much  
Now I'm like woah  
Look at me now

{Intermission: adamariz}

Look at me uh  
Look at me uh  
Look at me uh

Look at me uh  
Look at me uh  
Look at me uh

Look at me uh

Look at me uh

Look at me uh

Look at me uh

Yeah

{Hook: adamariz}

I'm back in the stu, ay

I'm back in the stu, ay

I'm back in the stu

I'm doing what Jesus would want me to do

{Verse 2: adamariz}

Look

A-adamariz is speakin

Tired of the fake preachin

Tired of the hate

Tired of what's on my plate

God gave me strength

Now I'm back

Hold up, we finna stop at Chick-fil-a

Y'all want some?

Heard y'all want me to go dumb

So I hopped on this track to show em who I've become

Hmm

Use to feel numb

Till my mum told me about His love

{Hook: adamariz}

Yuh
