

## **Adamariz - NEED**

{intro: adamariz}

Man, it's adamariz

We got 350 on here

You know how it is man

You're all i need god

{verse 1: 350}

Yeah

Wow man

Yuh, never uh

Never ever ever uh

Never ever own mine

Own again

Ghost hit the door again

Told em better go again

Prime time

Prime time show, folded man

Never had a day i never thought about my demons lurking

Beeper chirping

Had a lot

I proolly made the preaches nervous

I been hand made

Sauced up and brand made

NevĐur met a hard headed brothĐur that he can't save

Yuh

Again i'm on for the last days

Last summer i was down bad

Tryna get past daze

Move the advance mane

True to my dad's lane

**Driver on my heart**

**Like i remember when he had mane**

**If he did it once he'll do it again**

**I told my ends**

**Watch how my god will prove it again**

**Alright**

**Even if i never cool in a benz**

**You see the birds are always fly so how much for his kids**

**Alright**

**{verse 2: adamariz}**

**Steppin' in my purpose with my dirty white vans on**

**Why would i follow you, when he has greater plans**

**If i start to trip**

**He gon' grab by the hand**

**He's never letting go**

**No, he really is my dad**

**He sent the son of man**

**Had to stop poppin' xans**

**So i could stop being just a fan**

**Tried to run from my past**

**Had to get back in the lab**

**Rather than focus on that**

**Put my faith back in my bag**

**Even when it wavers**

**I know he won't turn his back**

**Cause he's all i need**

**How can you be so loyal to a person**

**But when it comes to god**

**You don't raise your hand**

**When he says go**

**That deserves a reprimand  
Now i'm with a different squad  
Headed to the promised land  
I'm not perfect  
Feel like by god i've been deserted  
Why should i worship  
I've been sinning  
Who said being a christian was super easy**

**Cause you gotta deal with the hypocrites  
Or the ones who mix the scripture with the gibberish  
Then they putting all the sinners on the pulpits  
Where everyone can see em  
On the sidelines acting foolish  
Momma taught me not to be them**

**But i slipped  
I got pissed  
Flip the script  
I was trippin  
I went missing**

**Into an ocean  
Tryna find where hope is  
Cause when i cried at the pulpit  
Ain't nobody notice  
But god**
