

## **Revolver - Back To You**

**When she says she's alone  
Don't believe her at all  
Stay away from the run  
She could dump you for fun**

**No ! She says, she's a liar  
Oh ! She says, now you tell her  
All that you do, and all that you say  
Will be sent  
Back To You  
She can't have no regrets  
Cause what she does she forgets  
She says "Please forgive me at last  
All the things i've done in the past"**

**No ! You say that's a lie  
Oh ! She says, now you tell her  
All that you do, and all that you say  
Will be sent  
Back To You**

**Now she has a romance  
With someone she met in France  
She tries to give love a chance**

**But she prefers to dance**

**No ! She says that's a lie  
Oh ! She says, now you tell her  
All that you do, and all that you say  
Will be sent**

**Back To You**
