

Panama - Destroyer

**God how I wish you could be here
You have to be near, you have to believe
You know how I want for you to return
Beaten and alone**

**Ooh oh oh, you're such a time destroyer
Ooh oh oh, I'm such a time destroyer**

**God how I want for this to be real
It has to be clear, it has to be right
Hiding in shadows
Broken and so cold
Ooh oh oh, you're such a time destroyer
Ooh oh oh, I'm such a time destroyer
Ooh oh oh, you're such a time destroyer
Ooh oh oh, I'm such a time destroyer
Ooh oh oh, such a time destroyer
Ooh oh oh, such a time destroyer
Ooh oh oh, you're such a time destroyer
Ooh oh oh, I'm such a time destroyer**
