**Doing yard work in the hot sun
I fought my mum and my mum won (twice)
I needed money 'cause I had none
I fought my mum and my mum won(twice)**

**She's so mad she's gonna call my dad
I'm not the perfect one
She's gonna learn a new meaning of bad
Cause I fought my mum and my mum won(twice)**

**Stick a fork in me I'm so done
I fought my mum and my mum won (twice)
I lost the car and I lost my bum
I fought my mum and my mum won (twice)
She's so mad she's gonna call my dad
I'm not the perfect one
She's gonna learn a new meaning of bad
Cause I fought my mum and my mum won(twice)**
