

## **Roadrunner United - Constitution Down**

**Like an earthquake racing  
Through the fault line  
Silent stalkers creep  
Ardor of a tangible delusion  
Skewing what remains as real  
A sinister and unexpected raid  
Infiltrates like a thief unheard  
Demarcation of coherence and  
Delirium crumbles to the floor  
Comprehension awry  
Vacillating powers of the  
Spirit formally at war  
Dialectics failing by the minute  
Imps possess the child she bore**

**Fractured soul  
Constitution down  
Hope is gone  
Allocate the unsound  
Constitution down  
Allocate the unsound**

**The unknown is the cross to endure  
Still no assessments ensure  
Breakdown of chaos prevails  
What does tomorrow entail?**

**Fractured soul  
Constitution down  
Hope is gone  
Allocate the unsound**
