

Kyau & Albert - All Your Colours

Wake me with all your colours

Help me to see the light

Call me with all your senses

I need to see the wayâ€¦!

Wake me with all your colours

Help me to fall for you

I feel wrong, I feel right

Fill me with loveâ€¦!

I feel wrong, I feel right

I feel wrong, I feel right

I feel wrong, I feel right

I feel wrong

Fill me with loveâ€¦!
