

## **Crabb Family - He's'll Make a Way**

**Looking for answers, you need a way out  
You've been trapped in that trial full of sorrow and doubt  
You saw a trickle of sunlight but you found no escape  
Just hold on to his promises, he said he'd make a way**

**He'll make a way in the middle of nowhere  
When it seems no one really cares he is there by your side  
He'll make a way when you feel Satan close in  
He'll make a way right on time**

**Standing at the Red Sea, no place to go  
Pharaoh's army was closing in, they'd soon overthrow  
But right out of nowhere came a might strong hand  
He rolled back the water, he made a way out again**
