

Kanye West - Maddy

|Verse 1: Future|

We come up with all us

Come up with all us

We all say go in a tourbus

No more floors bus

Me and our pickup truck

Oh my god all my niggas

Can't do it, Now i do it

Now i do it (Hoe)

|Chorus: Future|

Why maddy (Aye)

Why maddy

Rolling with a baddy (Aye)

With a baddy (Skrt)

Why maddy, Why maddy

|Verse 2: Kanye West|

Ye back on the track

We put you and your other homie back to back

I got a new song called attack (Skrt)

Hop out the whip (Skrt)

When i pull up i just dip

I speak no lip (Hol Up)

Lets get it

Nigga why you got it

If you ain't gonna use it (Pussy)

Drop that now

You can't choose it

Got the whole fucking club

Saying

|Chorus: Future|

Why maddy (Aye)

Why maddy

Rolling with a baddy (Aye)

With a baddy (Skrt)

Why maddy, Why maddy
