

Citizens - Sins of My Youth

{Verse 1}

**Entangled by cords, bred to destroy
Caught in the snares You still heard my voice
In my distress, I cried for Your hand
Lifted out of death, a new creation**

{Chorus 1}

**Please remember not the sins of my youth
So good and upright are the ways of Your truth**

{Verse 2}

**You have made known the way to follow
I need You to be my guide
And stronghold
Oh my God, in You I'm trusting
All the paths You set are true
Unchanging**

{Chorus 1}

**Please remember not the sins of my youth
So good and upright are the ways of Your truth
{x2}**

{Bridge}

**I love You, Lord, and all Your ways
No end to the shouts of praise
Enthroned, forever reigning
My God and my salvation**

{Chorus 2}

**You remember not the sins of my youth
So good and upright are the ways of Your truth**

{x2}
