

## **Revolver - Junior**

**Junior used to say: we all know that it's better to  
Burn than to fade to gray  
So he lit his fuse and we watched him burn, he wouldn't  
Have it any other way...**

Mean everyone would kick his**

**Ass**

**But then one day he showed up late for a class playing  
With matches and smelling of**

**Gas**

Burn than to fade to gray  
So he lit his fuse and we watched him burn, he wouldn't

**Junior always acted a bit crazy so I guess that we  
Should have known, sometimes**

**Some things are far better of, if left alone...**
