**Portarnos Mal**

**Vamos a portarnos mal**

**X4**

**Tienes novia?**

**No me importa**

**Quiero verte**

**Y sin ropa**

**Me alborota**

**Si me toca**

**Pon tu leche**

**En mi boca**

**Vamos a portarnos mal**

**X4**

**Oh yeah touch me there**

**Grab it hard, I don't care**

**Got a little bit on your face**

**Oh my gosh I was aiming there anyway**

**Let's get dirty, misbehave**

**Like the fat conductor I'll run a train**

**It doesn't matter bout the girl I'm with**

**I'll risk it all just to be your bitch**

**And cause it feel so soft so soft**

**When I touch your skin**

**And cause it feel so soft so soft**

**When I'm in you**

**I like the feel of your tongue on me**

**Time gets quicker, hyper speed**

**When I say your name you'll come faster**

**I'm the big bass master**

**Vamos a portarnos mal**

**X4**

**Bã©same aquã-**

**Bã©same acã;**

**Tã³came aquã-**

**Tã³came ya**
